

Rim ERD measuring ruler
For instructions please see
www.wheelpro.co.uk/support/

IMPORTANT

To check if this page is printed to the correct scale, the ruler length should measure 220mm.
If it does not measure 220mm then check your print settings and make sure you select "print actual size" or 100%
If it does not measure 220mm **DO NOT USE THIS RULER.**

Use the cutting guide and leave the white border around the ruler.
